

Twinning Agreement

*Acting on the clause from Junior Chamber Creed,
“...The brotherhood of man transcends the sovereignty of nations...”
we pledge to build fraternal ties and international goodwill by overcoming national,
cultural, and linguistic barriers.*

*The objective of this agreement is to exchange views and experiences so that we can
offer our members, and our communities, the benefit of international collaboration, as
we work toward the shared goals of developing leaders and fostering global
understanding.*

We are here today to witness the signing of this Twinning Agreement.
